<b>Workpack No.</b>	CN	<b>Inspection Date</b>	<b>Inspectors Signature/No.</b>
---------------------	----	------------------------	---------------------------------

#### 7.75.6.6.5 Baskets (additional)

**Basket Wires:** Inspect wires at the point where they pass through the upper frame.

**Cross-bracing Webbing:** Inspect over full length. No damage or wear is acceptable. Ensure fixing to frame is secure.

**Fabric Side Panels:** Inspect for condition. Minor wear or damage is acceptable. Panel must be secure to the leather panel at the base of the basket.

**Side Panel Straps:** Straps must be secure to the Fabric Side Panel. Velcro must be free of contamination allowing for satisfactory operation.

**Panel Inserts:** Remove panel inserts from the fabric side panels to inspect. Panels inserts are held within a pocket accessible via a Velcro opening on the side of each fabric side panel. Panel inserts must be intact and capable of protecting occupants. Broken or severely crushed panels must be replaced.
